

Sponsor Packages for the 3rd Annual Conference of The Thai Society of Human Genetics

May 1-3 2024, Pullman King Power Hotel, Bangkok

The Thai Society of Human Genetics will host the 3rd Annual Conference of the Thai Society of Human Genetics 2023 in the theme of “Harnessing genomics Thailand to better public health: the time is now” reflecting the importance of the national strategic project aiming at driving Thailand towards genomics medicine to improve healthcare.

The event will take place at the Pullman Kingpower Hotel, Bangkok during May 1-3, 2024. This is a hybrid meeting with target 200 participants onsite and simultaneous online session. Targeted participants are professionals in healthcare with focuses in clinical genomics, medical genetics, human genetics and translational medicine. Also, renowned clinical geneticist, researchers, health policy makers and key influencers in the fields of medicine and healthcare are invited as speakers.

Multiple sponsor packages are available with privileges and benefits as outlined in the following table. Availability will be on the basis of first-come first-serve.
